DECLARATION OF COMMITMENT

to adopt principles underlying the European Charter for Researchers
and the Code of Conduct for the Recruitment of Researchers

Maj Institute of Pharmacology of the Polish Academy of Sciences (hereinafter Institute) represented by Director, Professor Władysław Lasoń, supports the European Commission's initiative concerning the recommendations given in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

By endorsing the Charter and the Code the Institute recognizes the value of their principles and voluntarily commits itself to apply them.

The principles of the Charter and the Code correspond with the policy of the Institute aiming to increase the Institute's attractiveness to researchers by offering them a favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

By implementing the Charter and the Code Institute intends to foster international collaboration and contribute to the development of an open and attractive Polish and European labour market for researchers.
