

3rd Central European Biomedical Congress

entitled „News on biomarker discovery and research innovations in medicine and biomedical sciences”
15-18 September, 2018

Date	Time	Venue	Event	Chair
15 September	5 p.m.-		Registration	
	6.00 -6.30 p.m.		Welcome message	Honorary Committee
	6.30-7.15 p.m.		Inaugural lecture - TBA	Professor Władysław Lasoń
	7.30-8.00 p.m.		Music performance	
	8.00-11.00 p.m.		Welcome party	

Date	Time	Venue	Event	Chair
16 September	8.00 a.m.-5.00 p.m.	Auditorium Maximum, Krupnicza Street	Registration	
	8.45-10.45 a.m.		Session 1 - Medium Hall A <i>Toxic factors in the brain: a constant challenge to neurobiology</i>	Professor Małgorzata Kajta
			Session 2 - Medium Hall B <i>Rare diseases - every-day reality of neurology</i>	Professor Joanna Pera
	10.45-11.15 a.m.		Coffee break	
	11.15-11.30 a.m.		Sponsor presentation - Medium Hall	
	11.30-12.15 a.m.		Plenary lecture 1 - Medium Hall Csaba Földy (Brain Research Institute, University of Zurich, Switzerland)	Professor Irena Nalepa
	12.15 a.m.- 2 p.m.		Lunch break - Exhibition Room	
			Poster session 1 - Exhibition Room	
	2.00-4.00 p.m.		Session 3 - Medium Hall A <i>New basic research on „legal highs“</i>	Professor Krystyna Gołembiowska
			Session 4 - Medium Hall B <i>Translating scientific advances into therapies for neurodegenerative diseases</i>	Doctor Katarzyna Kuter
4.00-4.30 p.m.	Coffee break			
4.30-6.30 p.m.	Session 5 - Medium Hall <i>A way to consolidate your research independence – presentations from successful ERC grant applicants</i>	Professor Jan Rodriguez Parkitna		

Date	Time	Venue	Event	Chair
17 September	8.00 a.m.-5.00 p.m.	Auditorium Maximum, Krupnicza Street	Registration	
	8.45-10.45 a.m.		Session 6 - Medium Hall A <i>Obesity and diabetes: what needs to be identified and how to optimise treatment?</i>	Professor Rafał Olszanecki
			Session 7 - Medium Hall B <i>Pharmacogenetics and personalized medicine</i>	Professor W. Anna Daniel
	10.45-11.15 a.m.		Coffee break	
	11.15-11.30 a.m.		Sponsor presentation - Medium Hall	
	11.30-12.15 a.m.		Plenary lecture 2 - Medium Hall Ulrik Gether (University of Copenhagen, Denmark)	Professor Edmund Przegaliński
	12.15 a.m.-2 p.m.		Lunch break - Exhibition Room	
			Poster session 2 - Exhibition Room	
	2.00-4.00 p.m.		Session 8 - Medium Hall A <i>From nanotechnology to nanomedicine</i>	Professor Ireneusz Grudziński
			Session 9 - Medium Hall B <i>Advances in seizures and epilepsy research</i>	Professor Tomasz Kocki
	4.00-4.30 p.m.		Coffee break	
	4.30-6.30 p.m.		Workshop - Seminar Room, Conference Room <i>Recent advances in the theory and applications of biomedical systems</i>	Varia biomedical companies
	8.00-11.00 p.m.	Aviation museum	Congress dinner	

Date	Time	Venue	Event	Chair
18 September	8.00 a.m.-10 a.m.	Auditorium Maximum, Krupnicza Street	Registration	
	8.45-10.45 a.m.		Session 10 - Medium Hall A <i>Pharmacology in the 21st century: opportunities and challenges</i>	Professor Andrzej Pilc
			Session 11 - Medium Hall B <i>Scientific idea and what next - from molecule to implementation</i>	Professor Magdalena Bujalska
	10.45-11.15 a.m.		Coffee break	
	11.15-12.00 a.m.		Plenary lecture 3 - Medium Hall Francesco Pavone (European Laboratory for Non Linear Spectroscopy and Department of Physics, University of Florence, Italy)	Professor Rafał Olszanecki
	12.00 a.m.-1 p.m.		Lunch break - Exhibition Room	
	1.00-3.00 p.m.		Session 12 - Medium Hall <i>Young Scientific Investigators' Session</i>	Professor Tomasz Kocki Professor Ireneusz Grudziński
	3.30-4.00 p.m.		Closing & Award ceremony - Medium Hall	Professor Malgorzata Filip Professor Joanna Pera
