

Erratum

for: *Pharmacological Reports*, 2011, 63, no. 2

In the article: “Natural and synthetic acridines/acridones as antitumor agents: their biological activities and methods of synthesis” by *Grzegorz Cholewiński, Krystyna Dzierzbicka, Aleksander M. Kołodziejczyk*, *Pharmacol Rep*, 2011, 63, 2, 305–336, Figure 4 was printed incorrectly.

The correct Figure 4 is presented below:

Fig. 4. Pyrido[4,3,2-*k*]acridines **27a-d** and pyrido[4,3,2-*k*]acridin-4-ones **28e-k** developed by Bouffier et al. [24]

The online version has been also corrected.
