**DECLARATION OF COMMITMENT**  
**to adopt principles underlying the European Charter for Researchers**  
**and the Code of Conduct for the Recruitment of Researchers**

Maj Institute of Pharmacology of the Polish Academy of Sciences (hereinafter Institute) represented by Director, Professor Władysław Lason, supports the European Commission's initiative concerning the recommendations given in the *European Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers*.

By endorsing the *Charter* and the *Code* the Institute recognizes the value of their principles and voluntarily commits itself to apply them.

The principles of the *Charter* and the *Code* correspond with the policy of the Institute aiming to increase the Institute's attractiveness to researchers by offering them a favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

By implementing the *Charter* and the *Code* Institute intends to foster international collaboration and contribute to the development of an open and attractive Polish and European labour market for researchers.
